The Premises:

Well appointed house in South Ken (not far from the Natural History Museum). Place showers and facilities where spotlessly clean.

The Lady:

Olivia is a lovely 30 something lady with a fantastic figure (shes just come back from holiday so she's got an all over tan at the moment). She is beautiful by all accounts - long dark hair and a sexy northern accent (well I found it a turn on anyway)

The Story:

Olivia was part of the Advent promotion being put on by HOD - so ?80 for 1 hr - too good to miss. Started off with a nice cuddle and passionate kissing, then onto 69 after which we had a very energetic doggy and missionary - she really does seem to enjoy her work and it was evident by the screams of encouragement she was giving me - I thought she was going to shear my cock off at one point.

Needless to say, I'll be back - she's a lovely and sensual woman and provides a fantastic GFE.
