The Premises:

This is only the second time I've been to Samantha's and I found it fairly easily. It's a bit of a cross between a rabbit warren and the Tardis. The feel of the place kind of reminded me of Bunty's.

Interestingly it's the same price as Sandy's for a 30 minute punt (I thought it was a tenner cheaper), but doesn't really compare on atmosphere or choice of girls.

The Lady:

I had the choice of 3 girls and decided upon Tara. She is a tall curvy lady and I have to say if I'm being completely honest, she is larger and not as toned as the pics on the website suggest. However, I was attracted to her and thought she looked like fun.

The Story:

I enjoyed my time with Tara. It was a good old fashioned shag with a lady that seems to like her work. She has excellent oral (without) skills and can deep throat with good effect.

Tara seemed happy with most things, although this was raw, bang away with encouragement sex so we didn't really push the boundaries. She seemed happy to kiss although it wasn't with tongues, but present none the less.

I would recommend Tara because of her oral skills and attitude to her work, but on reflection I probably wouldn't return.
