The Premises:

Easy free parking opposite in Aldi, entrance is a little conspicuous but you can hide behind a pillar whilst you wait for someone to answer the door! Exit is better as you can use a different door just next to the entrance which looks like you're leaving via the flat above. Room was clean, warm and well presented.

The Lady:

Tina was about quite tall, Czech, 34D enhanced boobies, cracking ass, short blonde hair dressed in black stockings, thong and bra - perfect!

The Story:

Wow, what can I say! I've been to a good few parlours across the country and this was by far my best experience - so much so I've registered an account on here just to recommend Tina's services.

She started by fetching me a glass of water and sitting me down on the edge of the bed. She slowly underdressed me and teased me with her tits and tongue, loved the nipple biting! She made all the right noises and loved licking my balls, I was in absolute heaven. Services included oiled up titty fuck, oral with, sex in any position I flipped her into and she genuinely seemed to enjoy it.

After I'd shot my load, she wiped me clean, looked at the clock and pointed out we still had just over 5 minutes so would I like a massage - absolutely fucking amazing!! Thank you Tina - will definitely see you next time I'm in town!
