The Story:

Tammy appears on both HOD and Annabella's websites. I thought she looked fabulous in her pictures but I was a bit put off by the words 'all services at discretion' Anyway I decided to take advantage of the Advent Calender Girl offer and see what she was like.

Experience tells me services marked 'at discretion' are not usually available, but this was not the case with Tammy, and within seconds of her entering the room I knew this would be a special meeting.

Tammy kisses superbly, in fact she does everything superbly, we even shared a shower at the end.

This was a brilliant experience, Tammy is up there with the best and I can't wait to see her again.
