The Lady:

Isabella is a beautiful young lady aged 29, though she looks a lot younger. She has natural long black hair and dark eyes. She has slightly tanned skin and a great figure. about dress size 10.

The Story:

We arranged the meeting some 2 months before, When I checked in at the hotel I contacted her and nervously awaited her arrival. 30 mins later she arrived, she could see I was nervous but soon put me at ease. After a few mins chat she suggested a massage on the bed having already changed into a sexy red corset which I had requested. The massage soon turned into Oral and then full sex. She was very sensual and knew all the buttons to press. As I laid back looking up at her deep dark eyes and caressing her breasts it was not long before I was completely overcome with excitement. We then had a quick break and after about 20 mins got going again. This time at her suggestion I took her from behind, truly wonderful pushing up against her bum with my hands around her narrow waist, this carried on for a few mins before we changed back to her on top. Seeing that I was struggling a bit to finish the second time she then took me in hand, started whispering privately in my ear and with her sensual ways brought me to climax, This if anything was bigger than the first time as I laid there shaking holding on to her. She is a truly wonderful lady and the whole visit was loving and relaxed. And importantly not rushed.
