The Premises:

As promised, Melody's flat is in a very quiet, discreet location. I was driving, and my satnav had no problem finding it. (and it's less than 5 minutes walk from the tube station) Parking is secure & free.

The flat was tidy, well-kept and clean; the bed was comfortable and the bedroom was warm.

The Lady:

Melody advertises herself as a BBW, and it's no lie! She's both very big and very beautiful. The pictures on her website are entirely accurate - she's very pretty and well-endowed in the breast, belly and bum areas - which suits me just fine.

The Story:

This was my first punt, and having mentioned this to her, she managed to put me perfectly at ease. Having explained what I liked, Melody was quite happy to take control and direct the action.

We started with a back massage to relax me, and the rest of the hour was spent mostly with my head either between Melody's thighs, which was heavenly, or buried under a sea of breast-flesh, which was divine. We finished off with some classic mish-posish.

I haven't the least complaint about any of it - as a first punt it's made for some delightful memories to while away the cold winter evenings. I'll definitely be back to visit again.
