The Premises:

Nice flat around the back of Bayswater. Same place shared with other WGs, Dani from Eternity is there too.

The Lady:

Short girl, nice face slim body. Tits are a huge letdown - like 2 fried eggs and wrinkly. That's probably why they're not shown in the photos. Still nice to suck on and i liked it but unbelievable that they belong to a 21 year old.

The Story:

No OWO sadly but she looked sexy in a mini skirt. Got her to stand over me so i could pull her knickers to one side and lick her pussy. Quick BJ and then bent her over. Nice tight pussy, went at it for a while and then finished in mish. No round 2 as she needed to make a phone call. Nice girls but have had better and should have been allowed a 2nd go.
