The Premises:

Medium sized white building behind some shops.

Car park was almost completely empty at 12:00 on a Sunday so was able to park right outside the building. Clean inside and out.

The Lady:

Stunning brunette, with a stunning figure. Exactly as photos. Bright blue eyes behind the blur.

The Story:

After having a great time with Nina, wanted to see who else I was missing out on. Noticed Penny now only works Sunday so didnt want to wait the next week and I was free on Sunday so phoned up and on Saturday and was booked in.

Drove over to Bletchley which seemed strangely empty in December for a 12:00 Sunday.

Parked up and rang the bell and the door was opened by the lovely Lucy. Was lead upstairs to room and left waiting for Penny to join me.

Penny arrived and asked for an hour naturist and body to body. Was remind that body to body includes naturist. I think I'll start all my meetings using that line. Helps break the ice.

Asked to stripped off and lie face down as Penny also stripped off right in front of me.

Enjoyed a real proper massage. Penny is a fully qualified massuse and it showed. Really easy to talk to as well.

Was asked to turn over and she did the front on my legs, moving on up until it became a fantastic body to body. Remember at this point that shes a massuase not a WG guys! ;)

with about 15 minutes till end she started the "happy ending" but after a little teasing asked her not to go to completion. Was extremely tempting but I prefer to save my energy.

A little more teasing and back into more body to body until time was up.

Penny popped into the shower while I got dressed (I prefer to shower at home)

Fantastic body to body and a real proper massage by an expert.
