The Lady:

Smallish, about 5 foot 3, size 6, lovely face & smile, perfect body, fantastic arse. Enhanced tits, but not silly and extremely well done. About d cup. If you like them young looking, this is your girl, although she said she's 24, but still gets asked for id in pubs, which I can believe!

The Story:

I'm a bit of a straight forward sort I suppose, I love giving and receiving oral, then a bit of cowgirl, all of which she did very well and allowed me to play with her bits while she did the oral (without). Did a cim too, which was superb! Lovely girl to talk to, doesn't clock watch, and really seems like she enjoys her work. Another star performer of Sky & Harry's, and I will definitely be seeing her again. Well done chaps for unearthing another treasure.
