The Premises:

The place was easy to find, discreetly located and the number clearly visible on the door. I was let in straight away and was greeted by a nice lady who was expecting me. I was shown to the room which was warm, spacious and clean with a nice bath. could not have been nicer

The Lady:

Susie was beautiful. She is brunette with lovely eyes and a fabulous smile. She has an all over suntan (silly girl uses sunbeds) and nice tits. She has a great figure with a tattoo at the bottom of her back. She is fully shaved (not at all bristly)

She is Polish and speaks really good English.

The Story:

We started slowly stroking and kissing. There was plenty of time. We undressed each other and slowly got to know one another. I had a bath and she washed me all over. She spent time on manhood and raised me to full erection. We spent the next 20 mins just stroking and kissing and cuddling. She then put a condom on me with her mouth and we did OWO which was bliss. Then we had sex in various positions before she returned to OWO and took me to completion.

I can only say, WOW what a blast. My best ever by a mile. Nearly took my brains out.

We had a few minutes left so we chatted for a while, kissing and cuddling until the time ran out. We got to know each other quite well and she made me feel as though she really liked me and wanted me to come back. I will.

My only hesitation about recommending her to others is that I want to keep her to myself.

Service Provider's Rebuttal

The establishment writes:

Susie would like to clarify she strictly DOES NOT OFFER OWO. All services are covered boys,

Thanks! x
