The Lady:

This place just gets better. Yet another stunning lady! Lancashire lass. tall, blond and tanned, shapely figure and very friendly and welcoming.

The Story:

I don't know where to start. Mellissa has got a great sense of humour and evidently enjoys her work. She even encouraged me to give her oral. I must admit I was a bit rusty in this area. I was a bit tired and took ages to get going but she was very patient. Eventually I mounted her in the missionary position and experienced a intense climax! The best compliment I can pay Mellissa is that she is great fun. I will certainly see her again and left with a spring in my step!
