The Story:

Two ladies were working, but one was not available, so saw Danni, She Is a friendly mature lady, and she does all services, they have a menu system here, so opted for 70 quid full personal which Includes OWO and kissing.

We skipped the massage, and I got my mitts on her big boobies lol, which are nice, Danni soon got me hard, and put junior In her mouth, some very pleasant oral followed, also used her tongue on my balls which I liked.

On with the rubber, sex In CG, which we qickly changed to Mish, had a good time with Danni, but something was missing for me, nice lady but not sure If I will see her again. She also works for one2one-escorts.co.uk under the same name.

Also why do the maids describe her as late 20s when she's no where near that? I wish the place got Into the 21st Century, and got a website lol.
