The Story:

Ingrid is a Romanian girl in her early / mid 20's who specialises in domination. Her English is not bad at all and she is professional in a good way. I was in the mood for a humiliation session and Ingrid acted out her role very well. She tells me that most of her clients do not actually have sex with her, but she was perfectly happy to do so. Reverse oral permitted. Not sure about kissing. Overall a good punting experience. Ingrid is nothing like most Romanian WGs - she takes a pride in her work and understands that the client's satisfaction is paramount.
