### The Premises:

Smartish flat. Safe. Only niggle was nowhere to sit and chat at start apart from the bed.

### The Lady:

Trim, busty, smart.

### The Story:

Sassy, sexy, totally self-confident and with a deliciously dirty posh accent. My demands are simple but a wanking face-fuck was received with relish and swallowed, while she was fingering herself. She styles herself poshenglishtart: absolutely spot-on, google it! Outstanding VFM.
