The Premises:

Basement flat about 200 yards from tube station. Nice area, felt perfectly safe. Stairs down to flat well lit. Receptionist welcoming and efficient. Shown straight through to small but well equipped, clean bedroom.

The Lady:

Danni is as described on the website (which is good). Cute, slim, small, and very well formed.

The Story:

Danni spent time carefully understanding what I was looking for. I notice another FR said the same of her.

Went for a combination of tie and tease and spanking... spreadeagled on cross for the teasing and tied over the bench for hand spanking to begin with then increasingly intense leather paddles. Reward after the spanking was Danni's removal of another item of clothing until naked.

Fabulous and very sexy handjob to finish at my request.

Wish I'd gone for an hour's session. Will definitely return. Thank you Danni.
