The Premises:

Hard to find initially, but once you've been there, you won't forget! In the city centre, but still very discreet.

The Lady:

Gorgeous body and face. Even better than her pics, and couldn't believe she was actually in her 30s

The Story:

Won't go into too much detail, but all I can say is probably the best punt I have had to date. Very enthusiastic deep kissing and OWO and showed quite a few tricks - e.g. sucking my balls and perineum. She was also very friendly, and knows how to take charge! All in all, very recommended, and can't wait for her to come back again.
