The Story:

i saw ela, from that other famous website, i was curious as she had a nice set of pics but the face was hidden, but feeling horny i decided to take a chance, as she a number of good reviews. On arriving at the flat i was slightly nervous as it can be a bit hit and miss with the other site, but on being greeted at the door, was like wow, wow , wow. i was relieved that she turned out to be a stunner. after sorting out the money, she removed her bathrobe to reveal a sexy set of lingerie. After giving me a body massage with lots of kisses all over, my old boy was standing to attention and needed seeing to. ela or sexyela as she is known gave me the most exquisite deep throat bj that i have had before and believe me i am a connisseur who must have had hundreds. she had excellent technique and its rare to meet someone who can literally take it all in. after a while i could not hold any longer and i exploded in her mouth, all the while she continued sucking me like a Hoover. she quickly cleaned up and we spent a while chatting, and even though eastern european she is very fluent with her english which made a nice change. after a rest it was on to round two, and boy did this feel like a total pse, as she let me try different positions and when i was too tired she just rode me to oblivion. anyway i never usually write reports and in a way i feel like keeping her all to myself, but as a punternet regular who has enjoyed all my fellow members tips, i think it is time to share, so if you want to try a pse with a beautiful friendly girl check her out.
