The Premises:

Basement flat in a good area. Really close to the tube.

The Lady:

A photos on the site is a bit touched up but over all she looks like that. Tall, slim and very attractive and dressed as I'd requested. A very classy black dress over exquisite black lacy lingerie and black stockings and high heels.

The Story:

Once again I should know better than to book someone that doesn't have reviews, but my first (and second, and third) choice was not available in the afternoon and I was too keen on a shag.

This was a very weird experience. There are more NOs then YESes with Sophie. No kissing (big turn off). No BJ. No fingers.

I think she got far more pleasure from this meeting as I tried my best to get her excited and hopefully loosen up a bit - but she didn't.

I came after 30 min and then she made it quite clear that that was it. Showed me where the towel was, how the shower worked and so on... I am exaggerating a bit but that was how it felt.

Not a total waste of ?150 but very close to it.
