The Premises:

A well maintained and well occupied flat off Lisson Grove. There were quite a few of her friends around the flat.

The Lady:

A bit more weight gained since the photos were taken, notwithstanding this, she is extremely well toned and tanned and very fit.

The Story:

A slow start, with the greeting to the being left alone a bit too long after the shower to finally getting down to business.

Once we got started it was a great tornado, a really really good girl friend experience.

For a change this Russian babe is great, the best I have encountered.
