The Premises:

Her flat is in an exclusive development in a very safe and discrete setting - very upmarket

The Lady:

She has a perfect size 12 body, with firm breasts, and very responsive nipples. You do not get the full impression of Sacha from photographs on her website, but she values her privacy, and is not into tasteless poses.

The Story:

I have visited Sacha on a number of occasions, and without disappointment. On this occasion I was met at the door by Sacha wearing a fetching skimpy blouse, mini skirt and hold ups. We had a welcoming glass of wine, with plenty of kissing, before heading to the bedroom. Onto the bedroom where I was slowly undressed, with Sacha finishing on her knees. Rounds one and two were oral both ways ? although mainly on me, such a sensitive tongue action is not to be missed, with plenty of body contact. Round three started by Sacha saying ?bend me over the bed? ? this sounds so sexy when said with a posh voice (she is exactly what she says on her website ?upscale?, fun sexy, and sophisticated) that I found it hard not to shoot my load there and then. Thankfully I held on for a while, and some energetic scenes followed before my time was up. I overran, but there was no clock in the room. I will definitely return soon.

Maidenhead has had some parlours spring up lately, but leave me with the indie girls, they are much better VFM.
