The Story:

Mistriss Diana specialises in the Fem-Domme area of BDSM and does not participate in Penetrative or Oral sex. I have had a small experience of Domination but I am a novice on the subject. After finding Dianas website it rekindled a wish to experience it once again. I hoped to enjoy a bondage and domination scenario. Diana certainly delivered, like a pocket dynamo she has tremendous energy and enthusiasm. For a small girl, boy can she deliver a good whack. I was left very sore in the more delicate areas. She showed me aspects of BDSM I never even knew about. She has a fantastic imagination and enjoys her work. i.e CBT. I will definitely be returning for her CFNM experience (Clothed Female Nude Male) where you can have an audience of several vanilla ladies. She also shows you can still be friendly and fun in the discipline field.
