The Story:

After ringing the agency Millie was soon on the phone and she arrived on time after a few calls on the way.

Millie is very bright and chatty but we didn't really click probably as I'm getting on a bit and Millie is only 21. This said we still managed to move to the bedroom without any awkward moments. Millie was soon naked and she has the most smooth skin as I explored her.

She offered covered O (no OWO) and I was soon looking at this sexy young thing sucking my swollen cock. Onto sex (her on top) and it was soon all over. Millie agreed to go a second time and worked my cock until I was hard again. Then followed some very good mish sex with Millie putting her legs on my shoulders so I could really go deep. I soon came (right on the hour). We cleaned up, job done.
