Brunette, medium hieght with a well proportioned firm body, nice tits and bum,a northern lass.

The Story:

Ive been eagerly waiting this meeting for a couple of months now, so when we met it was like getting an eagerly awaited xmas present. First the fancy wrapping to get off, mmm can you tell whats inside by the shape, oh yes! And once you get the wrapping off what do you find, a box of delights!! I imagine Olivia can be anything you want but to me she was very warm and affectionate and hot, I had a very pleasant and tiring time with her. If you want more info look at her HoD profile, because I wont go into the nitty gritty of it. I wont say the usual, 'treat her with respect', bullshit, because I imagine if you dont you will soon find out about it. I for one will be going to see her again.
