### The Premises:

Clean flat on the corner above a launderette. Entrance to rear through a wooden gate. Close to town centre (5 mins walk from train station) but safe and discrete. Plenty of free parking. Pity no web site to see who is working.

### The Lady:

Anna was lively and horny, yes older, but nicely slim and not at all saggy. She was English, and she said all the ladies there are too.

Far nicer to clients than some ladies at some other parlors in SE London.

### The Story:

This opportunity was too good to pass up. I have promised myself another visit there for a long time. Anna was lively and horny, yes older, but nicely slim and not at all saggy. She was English, as are all the ladies there, and was quite happy for some proper snogging, fingering, pussy licking and anal rimming, before she put his coat on before giving me a good BJ. She got me much harder than usual so I just had to fuck her, and we fucked in Mish for some time, with her legs fully open, I appreciated giving her a proper bonking, and grinding into her wet pussy, as her breasts rubbed against my chest, until I came. It is a long time since have enjoyed my cock deep inside a pussy, so many thanks for an excellent session. She did not rush away, but stayed to chat and clean me up, which was very nice too.

She works Monday and Thursday.

Many thanks to PeterPecker et al for reminding me of this excellent establishment. Contact me at Hotmail to discuss please.
