### The Premises:

Above a row of shops-access in by a entrance at the back.Quite discreet.I was shown to a large comfortable bedroom which had been decorated for Xmas.Clean & tidy and with a TV and video available for your amusement.

### The Lady:

Hannah is a stunner.Very curvy,blonde about 5'9" tall in her high heels - very much a good looker from "Good Lookers ! "

### The Story:

I can only precis what happened by saying it was superb.

Some women have it and really know what they're doing,while some don't; Hannah is in the former category.Her oral technique has to be one of the best -in fact I told her she should open a college and give lessons.I'd happily volunteer my services should she need someone to perform on and show the other ladies how it should be done !
