The Story:

Emily put me at ease by kissing and caressing before gently stroking her gorgeous boobs up and down me for a while, this was heaven, she then asked me to play with her and she seemed to really enjoy it, then she went down to a lovely owo with lots of eye contact and it wasn't long before I asked her to stop as I couldn't last much longer. She asked if I wanted sex and she popped a condom on before jumping on top, the feeling of her lovely pussy was so amazing that I couldn't last for the promised owotc and it was all over.

Emily is very good at what she does, lots of kissing, smiling, eye contact, caressing, cuddling, wow. Recommended.
