The Lady:

Scarlett is an 18 year old stunner. For me a perfect body, as described size 6 perfect natural boobs, great ass.

Fantastic smile sparkling eyes.

The Story:

Brilliant and disappointing at same time, wait?

Got there at lunch time some ones lunch was being delivered as I got there.

I had read Scarlets description before heading over, and she was the first girl there as I went inside, I just knew I had to try her, wow.

Scarlet was eating in lunch at the bar, I was introduced to 2 other girls, who where great looking as well but my mind was made up.

We had a V.I.P room upstairs I had to follow her up and stare at her bottom all the way up the stairs, great. I commented that she looks great from the back and she said only the back.

Ok found out once in the room that she dose not French kiss, will not allow fingers inside, and charges ?10 for me to do oral on her.
She dose not do OWO.

Remember this girl is a stunner so had to have a taste, eventually let her return the favour with OW, her technique is too good I had to stop her several times.

Any way needless to say I shot my load whilst we were letting me calm down, she was not even touching me, what a shame, felt like a teen again, not able to stop the juices flowing.

So I will definitely return, maybe straight to the sex this time before I explode prematurely.

Dam, beets 40 min of sweaty sex with the missus.

Treat here with care she is a really friendly gentle girl.
