### The Story:

It cam to my attention that I had given alexandra her very first FR over 2 years ago so I was keen to undertake a 2 year review having found out that she had returned to Bedford the previous week.

Her english is first class and she has a cheeky but classy personality. She jokes about a bit but can also be really dirty too. She is quite assertive and has also developed fantastic oral skills over the past 2 years - before she was good, now she is mind (and cock) blowing! One of the best oral givers around in my opinion.

I really like Alexandra - you're in no doubt its a service (its not a GFE) but it is a top class and dirty experience - a horny girl.
