The Premises:

Located in an easy to find accessible area with plenty of parking. Parking tickets available at very reasonable prices.

The Studio can be found at the end of the road and seems discrete and secure.

The studio was very clean and I was greeted with a smile by a very friendly maid who offered beverages. Immediately I was able to relax.

The Lady:

Shannon is a very beautiful and striking blonde lady. Standing at 5ft 9" she has very long and shapely legs. She has an ample bosom with incredible nipples. Most amazing of all is her face with mesmerising eyes and a smile that lights up your day!

The Story:

Shannon enjoys treating her clients with a massage and offers oil or talc. I opted for the latter and enjoyed the pampering whilst chatting. Shannon is very easy to talk to about any topic.

After the massage Shannon's attention turned to kissing me while stroking and squeezing my penis. Then she gave me full oral attention. Shannon knew what she was doing and seemed to enjoy it as much as me. I then offered to give her oral and went down on her shaven pussy. What a nice taste! After this Shannon gently placed a contraceptive over my throbbing cock! Then she got on top and rode me like there was no tomorrow! I had to tell her to stop as she has exquisite pussy control and can squeeze cock effortlessly. Few women can do this! We then changed to missionary and she wrapped her long powerful legs around me and pulled me in really deep. Shannon is very vocal and clearly loved every second. Suffice to say my own orgasm was colossal. Shannon and I crumpled talking and kissing before we started again! The two hours was soon up!
