### The Lady:

Wow.

The picture on the website might lead you to think she is gorgeous.

She is better than that!

### The Story:

I went for the hour (?75) plus the salt scrub shower and body-to-body, each at ?10.

All I can say is that every single positive report about Nina is 100% accurate. Last time here (to see Tayla) was my first venture into sensual massage as opposed to the traditional punt, and I reported at the time that the experience was so good that I might be tempted to abandon punting entirely in favour of the massage. Nina absolutely confirmed that thinking, and I'll be back for more in the New Year.

Thank you Nina!
