See other VH reports - fine.

The Lady:

Natalie is still as attractive as in previous reports but has added her first tattoo, two cats paws on her breasts. As ever with her, they are tasteful.

The Story:

Natalie can be different every time so you may want to tell her how you want her to behave rather than leave her to guess. She can be a lovely mixture of drop dead gorgeous sophistication with uninhibited sexuality that is a real delight. Worth travelling to see.
