The Story:

Andrea is perhaps a little passive and her lack of English may make her seem more so but she was very sweet to me and within what she does allow I was turned on no end .She loved her pussy licked and worshipped for ages until she came and I absolutely loved fucking her , her body and her bum especially are a delight !If you love a good old fashioned mish and doggy fucking then you can ask no more , she may not do some of the more messy extras but she is a lovely fuck and I will see her some more for sure , a very clean immaculate girl with a fantastic butt !
