The Premises:

Not exactly 5 star BUT its very clean, tidy, warm and dry. The location felt ok but once you meet the 'setup' you realise its discreet and safe.

The Lady:

A nice pleasant young lady that not only made me comfortable but damn horny as well!

The Story:

It was my very 1st encounter and one I was not too sure how it would go. After reading previous reports I still felt there was going to be catch. I was totally wrong. I arrived on time and was invited to enter the building. the maid showed me to the room. after a couple of minutes I was introduced to sabrina. Parted with the money. She disappeared for a minute and returned. I instantly felt at ease with the lovely girl who offered a pleasant unrushed massage. after finding the sweet spot a bj was offered. She told me no CIM (that never turns me on anyway so not a problem). "you wanna fuck me?" oh yes please! on to MISH and then a 2nd massage. After seeing those lovely natural bubbles i was keen for a 2nd bj with a cowgirl to follow. I had a few minutes left so ended up with a wank while watching the horny lady play.

Like other reports the full 30mins encounter was not rushed and due to that I am keen for a return.

I be sleeping well tonight :-)
