### The Premises:

Well documented already, but definitely a top place to go, with its own discreet car park, top quality, friendly staff, and very nicely kept.

### The Lady:

Marie is a strikingly beautiful girl, with long black hair down to her slim waist, she has lovely eyes, and is very well proportioned - pretty well perfect I would say.

### The Story:

This has got to be my lucky day. Two girls I really liked, Chloe at VH, and Maria, who I had seen on some business trips to Telford, had both left, with no trace of where they might have gone, but now looking at the VH web-site, I find the girl I used to know as Maria in Telford, is now working at VH as Marie, and she does domination which is my particular thing.

Marie is a 30-something girl and obviously very experienced and knows what she is doing. I felt I could confidently place myself in her hands, which is essential for playing Dom games.

When I saw her at VH she recognised me straight away and seemed really pleased to see me, which made me feel good from the start, and as we were already on familiar terms with each other, the domination was just superb, and I had such a sexy and deeply pleasurable experience with her, that afterwards, I felt like I was walking on air. I've always liked VH, but now that Marie is there I shan't need to bother with anywhere else.
