The Premises:

Helen gave me satnav directions to a nearby location and then "guided me in" to her clean, smart, delightful house in a very "ordinary" safe part of town. Parking on-street suitably away from the house, felt totally safe. The slight problems finding the house from there were down to me not her, but guys! You do have to LISTEN to what the lady says...

The Lady:

Helen is every bit the gorgeous, busty, natural, friendly, funny, soft, curvy, cuddly lady that you picture from other reports and from her website. I was welcomed like an old friend and didnt for a moment feel uncomfortable or on the "sexual conveyor belt" that you get with some girls. I still do not believe she is 49, she insists that she is, so don't argue with the lady

The Story:

We had a lot of chat, a lot of kisses (and yes she Does love kissing), O and reverse O, lots of lovely rubbing, and then she proved what she says that her A Levels are unquestionably superb. Her puss is completely hairless and that whole area is just unbelievable - tight, wet, soft and although she IS clearly a mum she sure qualifies as a MILF! My cock visited all 3 places and she sucked me off as if she hadn't had breakfast, lunch, or tea :) Please guys, ignore the age I generally like younger, but will be back to see Helen again and again, starting later this month, and hopefully taking friends of both sexes. A totally wonderful half hour (we couldn't do longer at a time that worked) - this is THE lady to visit in that area.
