The Premises:

Julies place is really clean and tidy. She has just moved from Romford to her new place in Chigwell. Nice area with plenty of parking. Very discreet entrance.

The Lady:

Julie is a tall blonde lady, with legs to die for. Not big tits but I never have been a large breasted man. Very friendly with a lovely smile.

The Story:

It was my first time with Julie. I have punted for many years both here and abroad. I like tall ladies and ofcourse blondes. When I phoned the number and spoke with the lady on the other end (Julie) I felt she sounded really nice. I have had some really bad calls with working girls. Julie said she was free at 6pm which was good for me also.

I arrived on time and was met with a big smile and a good looking lady. A plus so far I thought. Offered a drink and led upstairs. Great to watch a lady walk ahead of you with a short skirt on. MMM I thought this is going to be fun.!!

Julies oral skills are great. O with out. And she sucked with gusto. She new I was close so stopped for a moment and asked if I came twice.?? YES I said, so would you like to unload in my mouth ? WOW not arf. So Julie took the first lot and swallowed it all. I will say that is the first time I have been asked that by a working girl.!!

We then chatted about stuff, until Julie got me going again. On with the hat and we fucked in the doggy stlye. I came after a while and Julie asked me if I would like some more sucking.? Let me say Julie is no clock watcher and offers a first class service. I will be back very soon and more than happy to leave her a report.
