The Premises:

Respectable house on private estate. Easy to find with sat-nav, I guess equally OK with A-Z. Clean, tidy and functional inside. Most importantly (for me) the house smelt clean, fresh and smoke free.

The Lady:

Her website is 100% accurate. She genuinely provides a professional and dedicated one-2-one service. Emma moans and groans in all the right places. I do not know if she was faking; I don't care, she made me feel very wanted and very special.

She has a professional yet alluring voice on the phone. However her best feature is that pretty face. You know that that gorgeous girl in the pub you lust after and ogle thru a pint glass, well here she is!

The Story:

I drove quite a distance to see Emma, this was based on website, phone conversation and price. I could have seen a local girl for more money; I am so pleased I chose to see her. The sight of her at the top of the stairs in sexy underwear was amazing. She then greets you like a loving girlfriend. This was a great start.

I never go into intimate detail on these reports. As before, there are plenty of sites out there if that's what you want. I can say there was no massage; however, she knows how to treat a man, how to indulge a man and what buttons to press. Everything was protected.

This girl is a true professional. She will show you respect and courtesy, if you see her - please reciprocate.
