### The Premises:

Excellent Location near Gloucester Road London as reported before. This time the main bedroom with ensuite was busy (Lea with another punter) so shown into second bedroom. Waited for 10mins then shown into main bedroom.

### The Lady:

Lea is just like her pictures, absolutely stunning. Approx 5'6", size 8-10, 34c/d. Fantastic figure and very pretty. I had asked for white stockings & nurse outfit when I booked but this was not available. It appears that the Milton Keynes office take the bookings & relay them to the London branch. Anyway neither the white stockings or nurse outfit were available. Lea came in with a strange police dress, black stockings and high heels but looked amazing.

### The Story:

This was by most standards an excellent punt with very good oral without, kissing and rubbing bodies together to missionary and first pop. Lea then offered a massage which was quite hard but enjoyable. However the really disappointing part of the punt was the complete lack of empathy. Conversation was strained and difficult. It also seems Lea is only happy with a cock in her mouth or being fucked. Now that's no bad thing but I did feel she was going through the motions a little. She also kept biting me and actually hurt me on the chin! However having said all of that, the massage developed into lots of attention to my arse and cock then more oral and a most fantastic fuck in reverse cowgirl to one of my best orgasms this year. Had a shower and was rushed out of the room as another punter was waiting and they were running behind, even though I had at least 10mins left. Highly recommended if you don't want conversation.
