The Lady:

The photos don't really show her in the best light as I think she's far more beautiful in the flesh

The Story:

I've seen Alexia a bunch of times. The first time I almost melted in her arms the way she kissed me. It felt totally unexpected - instant hard on. She's always impeccably dressed in expensive lingerie. She has a really fit body - I would say she's mid 30s but better looking now than when I first met her a few years ago. I don't know how that happened, but it's true. She does have a routine of sorts but I guess you could coax her if you wanted things slightly differently. Highly recommended if GFE is your cuppa.
