The Premises:

Very luxurious and spotless Thames-side location, very safe and secure.

The Lady:

She looks just like the photos on her website (not always the case with others!), BUT the photos really do not do her justice, the super body can hardly be guessed at!

The Story:

I was late, due to the Sat-Nav taking me on a journey twice as long as it should have been! Nevertheless I was greeted with a very welcome glass of wine. Lucy was dressed in an outfit that accentuated her super long and shapely legs, but left me guessing about the top half.

Drink finished it was off to the bedroom, and a long and enjoyable kissing section after which I removed enough of her clothing to reveal the body - Wow! The best body I have ever had the pleasure of fondling - lovely natural boobs, bum to die for, those long shapely legs and interesting shaved pussy (interesting because I had some difficulty finding her clit).

Her teasing of my cock against said pussy was exquisite, followed by regular fuck, but she seemed willing to accept whatever I wanted to do, but time was running out and the rest will have to wait for another day! Would I visit again? Just try stopping me!
