The Premises:

Smart house about 5 mins walk from the underground station. Only problem is that the flat is on the top floor - no stairs - pace yourself guys, you are going to need all your energy for what awaits you.

The Lady:

She is absolutely sensational - the pictures hint at her model-like figure, but she is 200% more lovely in the flesh. She was wearing high heels (fantastic!) so she towered over me, until we went to bed.

She is a sweet young woman whose English is EXTREMELY limited - you have been warned - but what do you want to do, discuss the Laws of Thermodynamics, or have sex with a gorgeous, willing and enthusiastic young woman.

The Story:

Shower offered and accepted whilst she worked out the administration, and then everything came off and my jaw nearly hit the ground. After that, I DATY (very sweet pussy and very reactive Jane, murmuring and twitching enthusiastically) then she came me the most beautiful oral, then on with the mac and a glorious slow session of sex in the bed, me being ridden cowgirl, and with her bent over the armchair, led eventually to a splendid orgasm.

What all of the above doesn't tell you is that for virtually all the time, I was smiling like a Cheshire Cat at the sheer beauty of Jane and at the pleasure she was bestowing on me. And whenever she looked at me, except when her mouth was full, she smiled back and I knew this was as good as it gets. What a Christmas present for Relaxed - wow !!
