situated in a quiet back street with easy parking and walk in off the street very safe and have been there many times with nice rooms and clean

### The Lady:

aged 19 with long dark hair size 6-8 with large natural breasts. dressed in thigh length boots and stockings wow. one of the best looking girls i have seen at this establishment in a long time with a face to match the hot body

### The Story:

afre a good massage we got down to the french kissing and was soon hard and ready to discover her body what a delight very sensual and a fanny to suck to die for. rode in different positions was good doggie style but came with me on top. a well worth experience and will try the anal next time as she does everything except bareback and i mean everything with my balls still aching from the hard workout
