The Premises:

Flat in Central Milton Keynes. Easy to find and plenty of parking.

The Lady:

Very attractive, tanned body (no white bits), slim and toned with lovely big breasts and firm arse.

The Story:

Poppy entered the room with a friendly smile, gave a continental kiss on each cheek and made me feel welcome straight away. After sorting out the finances she did a little strip revealing her fantastic body. It's punts like these when you can't believe your luck that this girl is actually gonna do what you want for the next 30mins that make us come back for more. Poppy stripped my clothes off while I fondled those fantastic tits, then on to the massage. Very nice use of the tits and body to body massage. OWO was on offer with plenty of eye contact and use of tongue (no CIM). Then RO but not for long coz I was dying to get my cock inside her. Started in missionary, poppy making all the right noises and talking in a very sexy French accent. Then got her on all fours for doggy. Lovely view in the big mirrors as I was riding her from behind until climax. No rush after and had a nice little chat and cuddle before getting dressed.
