The Premises:

Upstairs flat in quiet residential area. Clean & safe. Address would be difficult to find unless you know the area or have street map or satnav.

The Lady:

Number obtained from Daily Sp*rt. Described as new 18yo but realistically early 20s. Medium height, long dark hair, curvy BBW but very pretty.

The Story:

Louise is not as slim as the girls I usually like to see but is very pretty, easy to talk to and good vfm. I have no regrets about seeing her and will probably do so again.

Started with talc back massage then turned over & negotiated service as OWO. Good choice - her oral technique is among the best I have experienced. No time was specified, there was no clock-watching and she did not ask for payment until after we had finished.

Thanks, Louise.
