The Premises:

Smart up market apartment clean and tidy. Independent young lady pleasant and polite.

The Lady:

Tall slim long dark hair wearing stockings, suspenders and sexy uniform. Pretty face and eyes with nice kissable lips.

The Story:

She seemed quietly confident for a lady quite new to escorting. Offered me a glass of wine which I refused as I don't drink. Chat first, then bedroom and down to action. I won't go into intimate details but can say I was relaxed with a nice massage and then the girlfriend experience action was exactly what I needed and got full relief so enjoyed myself and she appeared to be enjoying it all too which I feel is very important.
