The Lady:

about 5-2 dark hair great tits and nipples and fit all over

The Story:

good shower to start followed by a long tonged kiss. tweaked her nipples and she loved them being pulled hard. Plenty of fingering whilst still kissing. Lifted her on to my thighs and lowered her on to the bed. More fingering and pushed one up her arse. Played with her clit for about ten minutes and then she squirted, all over the place, fantastic. Then she sat up and started munching the old man. Plenty of deep throat and drooling all down the shaft. She carried on all the way, took it all in the mouth and the swallowed it all, what a lady.
