The Lady:

Absoulutely gorgeous Early-mid 20's girl. A few tattoos which I found sexy and she looks like such a slut you would want to marry!!

The Story:

Soo I hadnt been in England for over a year and was back home for xmas and decided to visit my favourite parlour, they had 3 girls working that day and I wanted to see em all but decided to do back to back bookings for Bliss and Trinity as I had seen Astrid before, Seeing as Trinity was my main reson for coming today I saw Bliss first which was ok(OWO and sex but wont submit a report). Trinity gave a great BBBj, whcih was wet and horny, then I got behind her and hit it Doggy, then CG and then me on top, till I came in the Condom. Def worth seeing after waiting a whole year and Ill return if i get the chance.
