The Premises:

Ground floor flat very clean, discreet entrance [round the back] and I got the impression that it was a very safe area.

The Lady:

This is a real BBW not all bellies and rolls of flab just a big lady who is very well proportioned. And for a big lady is very supple and can get into positions normally you would only expect a size 12 or less to get into.

The Story:

There is one word she doesn't understand and that is No! this lady really puts out she enjoys everything and be careful she squirts so hard she could drown you. She charges ?70 for a full service ?80 if you want anal included I am just a greedy devil I wanted all three orifices and boy did I get them. Found her in a newsagents window and had my doubts not any more I now have a regular stopping off spot in Central Blackpool. Cant wait for next week when her indoors wants to go back for the sales.
