The Story:

Candykiss advertises on Another Website, but she is obviously not the lady in the photo, however she looked OK and seemed pleasant so I decided to stay anyway.

This was a mistake as she was not prepared to offer any of the advertised services, she merely wanted to provide the minimum she could get away with and get me out as soon as possible. I had checked on the services on offer over the phone, but thinking back I believe the person I spoke was not even the lady I saw.

A complete waste of time and money.
