The Premises:

Quite discrete and safe flat towards edge of town. Nice shower available.

The Lady:

Tall, well-built black lady with a beautifully proportioned bottom and elegant, shapely breasts. Smiley friendly face.

The Story:

Slightly extended arrangements to secure appointment but noting negative on Jade's part who answered every enquiry.

Worth it for her instantly friendly attitude as we had an introductory hug and kiss. More of that opted for instead of massage and from then on it was what I call a real gfe as we each did what we wanted to and neither ever hinted at not wanting anything done.

A good and effective oral with turned into prolonged 69 before sex which started in doggy and stayed there with positional variations and again it was a real two-person involvement.

Quite simply loved this session which will live long in the memory with a delightful girl who, although new to the business, has a really attractive relaxed personality and can-do attitude - I'm hooked!
